of Indian Universities (AIU) on the basis of advertisements appearing in the Indian newspapers, 144 foreign universities/colleges/institutions are offering various courses of study to the Indian students, out of which 27 are conducting programmes in India through their Indian partners.

(b) and (c) The degrees awarded by foreign universities are not automatically at par with the degrees awarded by the Indian universities. The work relating to recognition and equivalence of degrees awarded by the universities in India and abroad is dealt with by AIU which issues Equivalence Certificates to the students who have obtained foreign degrees.

(d) No, Sir. However, with the twin objectives of promoting Indian education abroad and regulating operations of foreign educational institutions in India the Government has recently constituted a committee called 'Committee for Promotion of Indian Education Abroad'.

Dual Degree System

1770. SHRI P. PRABHAKAR REDDY: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether University Grant Commission has conceived a plan of dual degree system for the students studying in some universities in different parts of the country;

(b) if so, the details thereof and the reasons therefor;

(c) whether some colleges affiliated to these universities have been selected for offering industry oriented courses alongwith the general studies; and

(d) if so, the list of the colleges so selected and the basis of their selection?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (DR. VALLABHBHAI RAMJIBHAI KATHIRIA): (a) to (d) According to the information furnished by the University Grants Commission (UGC), it has initiated the process to introduce a number of skill-oriented and value-added add-on courses in

universities/colleges to be taken by the students in parallel while doing the degree. The universities would be advised to make their three-year undergraduate course structure more flexible so as to allow students to pursue both degree and utility oriented certificate/diploma/advanced diploma programme together. Details of the 77 colleges, where industry-oriented subjects have been selected, are given in the statement.
